Dear Supporter,

LAWPOA is pleased to announce its 2023 Professional Development and Training Symposium. We are excited to host this event to help advance and empower women in law enforcement.

The primary source of funding for this annual symposium comes from businesses and organizations such as yours. As such, we are extending an opportunity for your organization to help raise the profile of women in law enforcement by co-sponsoring this event. Alternatively, there are vendor opportunities should sponsorship not be a feasible option.

The Symposium will be held on Wednesday, March 9, 2023, at the **Marriot Burbank Airport Hotel located at 2500 North Hollywood Way, Burbank, California 91505**. LAWPOA is anticipating the attendance of mostly Los Angeles Police Department personnel and those from local municipal and county public safety agencies. Your support will help guarantee the success of this exciting symposium. Enclosed you will find more information on the variety of sponsorship levels available to you.

We are expecting over 600 attendees for this year's event, which are predominantly women in law enforcement. Should your organization be interested in this sponsorship or vendor opportunity, please do not hesitate to have a member of your staff contact Amira Eppolito, LAWPOA Treasurer, at lawpoasymposium@gmail.com.

We didn't come this far, to get *this* far and your support is crucial to our success.

Respectfully,

RUBY FLORES, Commander
President, LAWPOA
